Daniel,

George and I will never be able to thank you enough for all you have tried so valiantly to do for us. You jumped in with both feet to try and bring justice to a very unfair situation. You have made a difference in our world with your overwhelming concerns about right and wrong.

You are an inspiration in a world where it has become all about “what’s in it for me.”

You gave your time, your concern for humanity, and from your heart.

You will always be remembered by us as an honorable gentleman with thanks from the heart.

Judy & George
